- Continue past a gate until you reach a junction with the North Downs Way/Pilgrims Way and turn left.
- Look out for a gap in the fence on the left at junction with footpath. Turn right here to follow the path up a steep hill across a field. A short distance on, follow the hedgeline on your left hand side. (There are fantastic views from the Downs at this point.)
- When you reach a stile in the hedgerow on your left, cross the stile and turn immediately right, continuing along the hedgeline.
- At the end of the hedgerow, cross the stile and head towards a gate to the right of the farm buildings. Pass through this gate and continue ahead over another stile. Follow path through the farmyard.
- On reaching a stile on your left, cross over and follow the path across the field towards 2 tall trees ahead.

When you reach the trees turn left to follow the waymarker along the field edge and bear right at the corner.
- At a junction with another footpath, continue on to the right of the line of trees ahead.
- On reaching a road, go over stile and cross the road. On the other side cross another stile and continue ahead with the woodland on your right hand side.
- When you reach a gate on your right hand side, bear left across the field to a waymarker sign on the other side, at this waymarker turn right. Cross a stile and continue ahead until you reach the Ringlestone Pub on your left hand side.
- Here you can either stop for a well earned break or continue on your walk by turning right and crossing back across the field towards the telegraph pole and a stile.
- Cross over stile and continue across the field towards another stile in the fenceline.
- Go over stile and follow the path to the right and through some woods. Keep following the waymarkers until you reach a stile in the fenceline.
- Cross stile and follow the path bearing left across the field.
- Go over stile, cross the road and then over another stile to continue ahead on the path. A short distance on, cross another stile and follow the field edge with a hedge on your right hand side.
- Pass through a gate, cross a stile and follow the path across the field towards a large tree. Follow the path to a stile in the corner of the field at road.
- Cross the road, over another stile and bear left. Head across field towards 2 trees and the corner of a wood.
- Cross a stile in the corner and follow the path to cross another 2 stiles.
- Turn left and follow the fence. Near the telegraph pole, turn right and head downhill towards the buildings in the distance.
- Cross a stile in the fenceline and head across the field, to left of telegraph pole.
- On reaching a fenced area, follow path along fence on the left until you reach a stile on your left. At this point bear right to follow path uphill to a stile near the road.
- Cross the stile, go down steps and turn right to follow the Pilgrims Way. On reaching a crossroads continue straight ahead along the North Downs Way/Pilgrims Way.
- Turn left and re-trace your steps back to Harrietsham station where you started.
